We are all well again  
& up & around. Baby is  
fine. Did my bob not  
turn very well. I got  
your story some time  
ago. I find myself  
busy with both babies  
I'm very cold out here.  
This is one of our biggest stores  
out here. It don't look  
like home & I am home-  
sick. Think I will have  
to come back. Love, for both.
